RAHUL DEWANGAN

REGULATORY AFFAIRS | REGULATORY OPERATIONS | CMC & GxP COMPLIANCE

Bhopal, Madhya Pradesh | +91 8319283864 | rahuldewangan488@gmail.com | LinkedIn | GitHub | Portfolio

PROFESSIONAL SUMMARY

M.Pharm (Pharmaceutics) candidate and B.Pharm graduate pursuing entry-level Regulatory Affairs, Regulatory Operations, CMC documentation and QA-GxP roles. Foundational knowledge of CTD/eCTD, GxP and evidence-based documentation, supported by independent BEACON portfolio work and academic formulation research.

CORE REGULATORY & QUALITY SKILLS

Regulatory Affairs: CTD/eCTD Modules 1-5 | CMC Fundamentals | Regulatory Documentation | Regulatory Intelligence | US FDA | EMA/EU | CDSCO | IND | NDA | ANDA | DMF

Regulatory Operations: Electronic Submissions | Dossier Review Concepts | Change-Impact Assessment | Requirement-to-Document Mapping | Regulatory Communication | Source Verification | Evidence-Gap Analysis | Version Traceability

Quality & Compliance: GMP | GLP | GCP | QbD | ALCOA+ Data Integrity | Quality Risk Management | SOP Lifecycle | Document Control | Change Control | Deviation/CAPA Concepts | Inspection Readiness

PROJECTS & ACADEMIC RESEARCH

PRAMANEX BEACON - Regulatory Intelligence & Change-Impact Workflow — Jul 2026 - Sep 2026

Completed Independent Portfolio Project | Evidence: Portfolio | GitHub

- **Designed** a regulatory change-impact workflow integrating official-source verification, evidence traceability, document-impact assessment and human-review controls, converting changes into structured source -> impact -> owner -> closure records.
- **Mapped 14 CTD/eCTD document categories and 8 decision elements** for a synthetic manufacturing-site change, translating a broad event into identifiable documentation, ownership and closure requirements.
- **Tested 2 high-risk evidence conditions** (missing/conflicting evidence) and separated NO_CHANGE from SOURCE_FAILED, enforcing explicit HOLD and human-review states before unsupported conclusions could progress.
- **Executed 63/63 site-code tests, 30/30 synthetic safety checks and 8/8 focused pilot-backend tests,** confirming expected behaviour across defined engineering test layers while retaining human regulatory review authority.

M.Pharm Thesis - Ruxolitinib-Loaded Transfersomal Gel for Dermal Delivery — Jul 2025 - Sep 2026

- **Developed and optimized 15 formulation batches and evaluated 50+ experimental samples,** achieving up to 88.5% drug-entrapment efficiency.
- **Evaluated 12-hour drug-release behaviour** using UV-Visible spectrophotometry and characterized formulations using particle-size analysis, zeta potential, FTIR and DSC.
- **Completed stability assessment at 0, 30 and 90 days,** demonstrating sustained release behaviour and acceptable formulation characteristics.

B.Pharm Academic Research

- **Synthesized literature across 5 evidence domains** in a conjunctivitis review, producing a structured map linking disease causes with diagnostic and therapeutic considerations.
- **Analyzed pharmaceutical social-media practices across 4 themes** - promotion, stakeholder engagement, regulatory risk and responsible communication - to develop an opportunity-versus-compliance framework.

TOOLS & SOFTWARE

Regulatory & Submission: eCTD Viewer | Veeva Vault RIM (workflow familiarity) | LORENZ docuBridge (workflow familiarity)
Documentation & Productivity: Microsoft Excel | Word | PowerPoint | Notion
Project & Collaboration: Git | GitHub | Jira (fundamentals) | n8n
AI & Research: ChatGPT | Claude | Perplexity | NotebookLM

SOFT SKILLS

Analytical Problem Solving | Attention to Detail | Structured Documentation | Critical Review | Professional Communication | Evidence-Based Thinking | Accountability | Quality-Focused Mindset

EDUCATION

Master of Pharmacy (M.Pharm) - Pharmaceutics — Jan 2025 - Nov 2026 (Expected)
Bansal College of Pharmacy, RGPV, Bhopal | **88.2% equivalent**

Bachelor of Pharmacy (B.Pharm) — 2020 - 2024
University Institute of Pharmacy, PRSU, Raipur | **79.8%**

Class XII - Science (Biology) — 2020
Mother's Pride H.S. School, Durg | **86.2%**

Class X — 2018
Mother's Pride H.S. School, Durg | **88.4%**

CERTIFICATIONS & TRAINING

- Introduction to Pharmaceutical Regulatory Affairs - Pharma Lesson Masterclass — 2025
- GLP on Regulation of Medical Devices - THSTI, Government of India — 2025
- Pfizer Molecule to Market Job Simulation - Forage — Mar 2026
- AI in Healthcare and Drug Discovery - AI CERTS — 2026

HONORS & AWARDS

- Patrika State Student Honor Award — 2018

LANGUAGES

- English - Professional Working Proficiency
- Hindi - Fluent
- Chhattisgarhi - Fluent
